YOUR SAFETY DEPARTMENT, LLC ANNOUNCES NEW TRAINING COURSE OFFERINGS

***OSHA 10 / 30 Hour Construction Industry Outreach Training***

JANUARY 8<sup>TH</sup>, 2018, (San Antonio, Texas) – **Your Safety Department, LLC** is proud to announce the addition of OSHA Authorized Trainers to provide **OSHA 10 / 30 Hour Construction Industry Outreach Training** courses to our construction industry customers. Any individual that successfully completes one of the training courses will receive the industry recognized credential OSHA 10 / 30 Hour wallet card.

The **OSHA 10-Hour Construction Industry Outreach Training** course is intended to provide information needed to help line workers, as well as foremen, supervisors, managers, superintendents, competent persons, safety staff, safety committee members, safety managers, and others, be more aware of health and safety hazards so they can be avoided. The **OSHA 10-hour Construction Industry Outreach Training** course also includes a brief overview of how the Occupational Safety and Health Administration (OSHA) functions, and the rights of employers and employees. There are no prerequisites required to take the **OSHA 10-hour Construction Industry Outreach Training** course.

The **OSHA 30-Hour Construction Industry Outreach Training** course is a comprehensive safety program designed for anyone involved in the construction industry. Specifically designed for safety directors, foremen, and field supervisors; the program provides complete information on OSHA compliance issues. **OSHA 30-Hour Construction Industry Outreach Training** teach health and safety awareness by helping supervisors and workers reduce the risk of workplace hazards. The benefits of **OSHA 30-Hour Construction Industry Outreach Training** include prevention of possible worksite hazards, understanding workers' rights, employer responsibilities and more.

Chris Thuneman, President of Your Safety Department states, "With our OSHA Authorized Trainers, we are able to continue adding quality safety programs to our service capabilities in order to support our customers and their employees with programs designed to enhance their safety awareness and training. These courses are essential to the safety of personnel working in the construction industry and everyone who attends these courses will benefit from the material learning that is offered."
