YOUR SAFETY DEPARTMENT, LLC ANNOUNCES DRUG AND ALCOHOL TESTING SERVICES

### ***DRUG AND ALCOHOL TESTING SERVICES***

DECEMBER 22<sup>ND</sup>, 2019, (San Antonio, Texas) – **Your Safety Department, LLC** is proud to announce the addition of DOT and Non-DOT **Drug and Alcohol Testing Services** by Certified Professional Collectors. Alcohol and drug abuse create significant safety and health hazards and can result in decreased productivity and poor employee morale. It also can lead to additional costs in the form of health care claims, especially short-term disability claims. Our **Drug and Alcohol Testing Services** will help our customers achieve a workplace free of the health, safety and productivity hazards caused by employees' abuse of alcohol or drugs.

Common reasons that our customers implement **Drug and Alcohol Testing**, are to:

- Deter employees from abusing alcohol and drugs.
- Prevent hiring individuals who use illegal drugs.
- Be able to identify abuse early and appropriately refer current employees who have drug and/or alcohol problems.
- Provide a safe workplace for all employees.
- Protect the general public and instill consumer confidence that employees are working safely.
- Comply with State laws or Federal regulations.
- Benefit from Workers' Compensation Premium Discount programs.

Kathy Thuneman, Vice-President of Your Safety Department states, "Our Certified Professional Collectors are aligned with Substance Abuse and Mental Health Services Administration (SAMHSA) certified labs staffed with certified Medical Review Officers and allow us to continue adding quality, safety related, health testing capabilities to support our customers and their employees. By educating employees about the dangers of alcohol and drug abuse and encouraging individuals with related problems to seek help, our customers can take a positive step in protecting their businesses, retain valuable employees and help play a part in making family and communities safer and healthier."

### **About Your Safety Department, LLC**

Your Safety Department is a privately-held, safety solution services company for the oil, gas, chemical, power, mining, construction, and general industries with a global network of industrial safety suppliers and equipment selling into the continental United States. Your Safety Department also provides both onsite and online services including safety staffing, outsourced safety, fit testing, safety training, and written programs all designed for seamless implementation into existing safety management systems.
