Senior Safety Trainer – Two Contract Positions Available

Locations: Corpus Christi, Texas & San Antonio, Texas

Project length: 3 months with possibility for direct hire

Pay Range: \$35.00 - \$40.00 plus per hour depending upon accreditations

Your Safety Department LLC, a 9-year old HSE training company, built our reputation on quality, dependability and reliability with highly trained and experienced professionals who have the knowledge and experience to ensure our clients exceed mere regulatory compliance when it comes to employee safety management. We achieve this by providing a framework of services designed to address critical safety activities including employee safety training, respirator fit testing, spirometry testing and drug and alcohol testing resulting in 1,000s of employee registrations last year alone.

In order to respond to this demand, we are hiring instructors with exceptional training skills and recent classroom and field experience in any of the following:
